September 23, 2020

Dear Bethesda Family,

Greetings in the name of our Lord Jesus Christ.

At our September Session meeting we re-confirmed our guidelines for Sunday morning worship:

- We will utilize the main door for entrances and side door for exits.
- These doors will remain open throughout the service for air circulation.
- The inside door of church will be closed during the service to limit traffic noise and glare on the screen.
- Masks will be worn while entering, leaving, and moving about the sanctuary.
- Masks may be removed once social distancing has occurred.
- Everyone who enters will have their temperature checked by greeters. If your temperature is over 100°F you will be asked to not enter.
- We will take a picture of main sanctuary and balcony to document attendance.
- No nursery/childcare is provided at this time.
- Ushers will seat people at predetermined areas of church. There will be increased space between congregants. Please sit with your family.
- Hand sanitizer will be at entrances and exits.
- Trash cans will be placed at exit.
- Everything will be on the screen in the front for liturgy and singing. Bring your own Bible if you wish to have one during the service.
- Special music will come from the choir area.
- Boxes for offering will be placed at both front and back of church.
- Services will be recorded and be put on website, Facebook, and YouTube for home viewing.

Praying for safe worship!

In Christ's Service

David L. Hudson

Pastor
